Over the past decade, the Portuguese Psychoanalytical Society took the opportunity to restructure and redefine their organisation. As part of this process, they invited outstanding psychoanalysts from all over the world to present their thoughts, reflections, and clinical investigations. These conferences, workshops, and working groups helped shape the modern society, bringing in vibrant new ideas.

Reflections on Contemporary Psychoanalytic Thought showcases the best of these significant contributions delivered to the Society from leading critical thinkers to provide a treasure trove of cutting-edge psychoanalytic ideas. Readers will enjoy insights into institutional dynamics, Freud and culture, virtual space and identity, the contemporary hysterical body, misogyny, the psychoanalytic community, suicide, the ideas of Sándor Ferenczi, and much more. An absolute must-read for psychoanalysts, the book will also be of interest to other mental health professionals, students, and all open to engaging with contemporary psychoanalytic concepts.
